EXPERIENCE

UCR CODING BOOTCAMP / TEAM LEADER

OCT 2018 – MAR 2019

- Spearhead multiple responsibilities, including daily team performance audits, website quality assurance, and team member engagement.

- Identify team members' strengths and weaknesses and assign tasks to complete projects accordingly.

- Ensure team members stay on task and continuously improve performance wise; generate creative solutions to identify improvements in processes.

- Overlook all activity during group projects and led the team to achieve the highest score amongst other groups' projects.

ALPHA PHI OMEGA NATIONAL SERVICE FRATERNITY / HISTORIAN

SEPT 2014 – SEPT 2016

- Lead historian committee meetings and delegate tasks to the committee members in order to fulfill requirements to cross while overlooking all historian-related activities during the term.

- Attend and document all Alpha Phi Omega pledge events to post onto the official Alpha Phi Omega Psi chapter Facebook page.

- Responsible for creating a scrapbook that is to be completed in order for the entire pledge class to cross as official members of the fraternity.

- Provide assistance to other members of the pledge executive committee and members of the pledge class in any matters regarding the pledging process.

UCSB DISABILITY STUDENTS PROGRAM / NOTETAKER

AUG 2015 – AUG 2016

- Provide the student with an accurate and full account of the information conveyed in lectures or classes where it is necessary to take notes and submit it to said student within 48 hours of the lecture.

- Liaise with the Disability Students Program advisor on an ongoing basis, in order to monitor support.
